## Reading Comprehension

### 1) A message to a new friend

Hi Lucia

How are you? It was so nice to meet you last week in Sydney at the sales meeting. How was the rest of your trip? Did you see any kangaroos? I hope you got home to Mexico City OK.

Anyway, I have the documents about the new Berlin offices. We're going to be open in three months. I moved here from London just last week. They are very nice offices, and the location is perfect. There are lots of restaurants, cafés and banks in the area. There's also public transport; we are next to an U-Bahn (that is the name for the metro here). Maybe you can come and see them one day? I would love to show you Berlin, especially in the winter. You said you have never seen snow – you will see lots here!

Here's a photo of you and me at the restaurant in Sydney. That was a very fun night! Remember the singing Englishman? Crazy! Please send me any other photos you have of that night. Good memories.

Please give me your email address and I will send you the documents.

Bye for now

2) An airport notice

What can I take on the plane as hand luggage?

Please note that passengers can only take ONE suitcase onto the plane. It must be no bigger than 55cm x 22cm x 35cm and weigh no more than 10kg.

You can also take one small laptop bag or handbag that can fit under the seat in front of you. If you have two bags, their total weight cannot be more than 10kg. If your bag is too big or too heavy, you will not be allowed to take it onto the plane. Staff will put it in the hold for you and you will have to pay extra.

Please make sure mobile phones and other devices are fully charged so that security staff can check them.

Liquids in bottles bigger than 100ml are allowed on board if you buy them in the airport shops after you've passed security.

We hope you enjoy your flight!

3) An email from a friend

Hi Samia,

Just a quick email to say that sounds like a great idea. Saturday is better for me because I'm meeting my parents on Sunday. So if that's still good for you, why don't you come here? Then you can see the new flat and all the work we've done on the kitchen since we moved in. We can eat at home and then go for a walk in the afternoon. It's going to be so good to catch up finally. I want to hear all about your new job!

Our address is 52 Charles Road, but it's a bit difficult to find because the house numbers are really strange here. If you turn left at the post office and keep going past the big white house on Charles Road, there's a small side street behind it with the houses 50–56 in. Don't ask me why the side street doesn't have a different name! But call me if you get lost and I'll come and get you.

Let me know if there's anything you do/don't like to eat. Really looking forward to seeing you! See you soon!
